

Careers *news*

WEEK 1

UPDATES FROM THE HOLIDAYS

Work Experience

Well done to students who completed work experience in Week 10 and over the holidays. The feedback from employers has been overwhelmingly positive. We hope the opportunity has given students some insights to assist with future planning.

Eli, Year 10 – “It was a great experience, I thought I might want to be a Physio, but now I know that I want to be an Exercise Physiologist and am going to do some work experience in that.”

Sophie, Year 10 – “Definitely the trade I want to do and start an Apprenticeship in.”

Employer – “Your student restored our faith in young people and offering work experience opportunities.”

Certificate II in Electrotechnology

Week 2 of the holidays saw a group of thirteen Year 12 students spend the week on campus completing the practical components of their Certificate II in Electrotechnology with their trainer. These students attend a weekly remote class and this was their second practical block. Again, our students impressed, with the trainer remarking positively on our students and their work ethic.

A new intake for current Year 11 students will commence in Term 4, with information out soon.

Resume / Cover Letter / Application Feedback

Feedback is available for students on resumes, cover letters and job applications. Students can visit the Careers Office at any break with a copy of the document to receive feedback.

WORK EXPERIENCE

ALL YEAR 10 STUDENTS WHO ARE YET TO UNDERTAKE WORK EXPERIENCE SHOULD BE PLANNING A PLACEMENT FOR THE SEPTEMBER HOLIDAYS.

Please return work experience forms to the Careers Office by Week 7 of each term. All documentation is available via the student intranet. All year 9-12 students may undertake work experience over the September school holidays. Year 9 students will have their work experience induction in term 3. Placements outside these times must be pre-approved and will only be considered in exceptional circumstances.

Defence Work Experience Program

The Defence Work Experience Program (DWEP) is a national Youth Program that provides individuals with an interest in a Defence career, the opportunity to gain exposure to a range of roles available. If you are interested in a career with the ADF, please check out the [DWEP website](#). Applications must also be lodged on the DWEP website, the following programs are now accepting applications:
