WEEK 4

During the video, I make reference to the [Curriculum Handbook](#) which lists all of the subjects students can study and information about them (summary is on p.16).

Please note that if some electives do not have enough students choose them, they will not be offered in 2026. This is why we ask students to choose 'reserve' subjects.

Students will be provided with time in one of their upcoming core lessons to watch the video, engage with the Curriculum Handbook and ask questions.

Should you have subject specific questions, please contact the relevant Academic Dean: [Academic Deans | The Cathedral College Rockhampton](#)
