Dolphins Cup and National Schoolgirls Wrap

Unfortunately the Open Boys team were defeated by St Brendan's in their Grand Final for the Dolphins Cup last night. A tight physical game by both teams came down to the wire with the Open Boys going down by just 4. They will now prepare for the Schoolboys Term 3 competition hoping to go one better and take out the Grand Final.

The Open Girls had an awesome win over Emmaus in their National Schoolgirls Grand Final. A beautiful passing game resulted in lots of tries and gave the team the confidence required for when they take on the winner of the Northern round.

Vicki Wilson Wrap

The Open Netball team recently travelled to Brisbane to compete in the Vicki Wilson Cup. After finishing 4th in their pool, the team played off in the 9th – 16th division. Coming out strong in their quarter final, the team defeated First Nations to progress to their Semi Final. Unfortunately the team went down in this game which resulted in a final to place 11th or 12th. The team placed 12th overall.

Qld Representatives

Congratulations to the Capricornia 10-12 Girls Touch team who narrowly missed out on making the Grand Final at the recent State Championships in Roma. The College was represented by 5 girls: Dusty, Isla, Kari, Ash and Nadia. The team medalled with a bronze, and a huge congratulations goes to Ashleigh Chopping who was chosen to represent Qld at the upcoming National Titles in October.

Congratulations to Sienna Harmsworth who recently travelled to Canberra to play at the National under 15 Schoolgirls Hockey carnival. Qld took a clean sweep in the boys and girls both winning gold in the grand finals.

A special mention to Mackenzie Wyeth who returned from the National School Swimming Championships with 4 gold and 2 silver medals. This is an enormous effort from an individual swimmer! We can't wait to see what the future holds in swimming for you, Mackenzie.

Sports Awards

Students are asked to attend the sports window to check the silver and bronze medal listing for the Sports Awards. If there are any errors or students missing medals, please email the sports office.

Athletics

A number of students travelled to Mackay on Monday and Tuesday hoping to make the Capricornia Athletics team. We are still waiting for the final results so we will provide an update on who has progressed in the next newsletter.

2025 Representative School Sport

Congratulations to the huge number of TCC students who have been selected in the past month to represent Rockhampton District School Sport in their chosen sports. We wish you good luck in your progression to Capricornia and State Championships.

Calendars and information regarding dates and venues for RDS Sporting Trials for 2025 are currently available through the link on the TCC website.

Once we receive the calendar for 2026, this will also be posted on the website.

The Representative School Sport Permission Details Booklet (consent form) will again have all the required documentation that schools / district / regions need for your child to participate in trials. Please note that the form only needs to be filled in once per sport / trial.

Completed forms will need to be handed in by your child at the first trial, and this will then be passed on by officials through the various levels of school sport.

Once the booklet is completed, please email it to sport@tccr.com.au and it will be returned to you after signatures are completed. We encourage you where possible to fill the form out electronically to assist with eligibility and accuracy of the documents. If you have any further queries or concerns please do not hesitate to contact the sports department.

Kind regards,
