The AFL logo is displayed in a bold, blue, sans-serif font. It is positioned at the top left of the page, above the main text area. The background of the entire page is a blue-tinted photograph of several young people, likely athletes, with their hands raised in a celebratory gesture, possibly a high-five or a team cheer. The image is slightly out of focus, emphasizing the text in the foreground.

AFL

The college was strongly represented at the regional championships for Girls AFL in Rockhampton on Monday. Of the 3 teams in attendance, 2 of the girls teams won their playoff and are now joining the junior boys to travel to Townsville for the North Qld Championships. Congratulations to the huge number of TCC students who have been selected on the past month to represent Rockhampton District School Sport in their chosen sports. We wish you good luck in your progression to Capricornia and State Championships.

Calendars and information regarding dates and venues for RDS sporting trials for 2025 are currently available through the link on the TCC website.

The representative school sport permission details booklet (consent form) will again have all the required documentation that schools / district / regions need for your child to participate in trials. Please note that the form only needs to be filled in once per sport / trial. Completed forms will need to be handed in by your child at the first trial, and this will then be passed on by officials through the various levels of school sport.

Once the booklet is completed, please email it to sport@tccr.com.au and it will be returned to you after signatures are completed. We encourage you where possible to fill the form out electronically to assist with eligibility and accuracy of the documents. If you have any further queries or concerns please do not hesitate to contact the sports department.
